Description:

Pique your students interest with this fun resource that gives them ownership of the text that is central to each lesson---their names! Rich in phonics and oral language practice, each of the 10 complete lesson cycles culminates in a unique bookmaking activity for the whole class or individual children. Name Games keeps teacher preparation time to a minimum by providing over 35 fully reproducible child-friendly pages.

This is a great book full of activities for students to practice their name and other students names. I will begin the year using ideas from this book and continue them as needed.
